

# 3752 ALMAGARD® VARI-PURPOSE LUBRICANT

DHL WORLDWIDE, Denver, CO

Chevrolet Cargo Vans • SIC 4212 Local trucking without storage

**LE's 3752 ALMAGARD VARI-PURPOSE LUBRICANT SAVES  
\$7,500.00 a year on rebuilds!**

**CUSTOMER TESTIMONIAL**

## **CUSTOMER PROFILE**

DHL Worldwide Express is a package delivery fleet servicing Colorado and the Rocky Mountain region.

## **APPLICATION**

DHL Worldwide Express runs a fleet of forty-five Chevrolet and Ford 2500-3500 cargo vans. The vans are used to deliver packages in the city and in rural mountainous areas. They are exposed to high heat, severe cold, water, and heavy shock loading.

## **AREA OF INTEREST**

While using a commercial grade lubricant, they had an average of five to seven rebuilds on suspension, steering and U-joints per year.

## **LE SOLUTION**

LE Representative Jeff Dean recommended LE's 3752 ALMAGARD

Vari-Purpose Lubricant. LE's 3752 is a multi-functional extreme pressure lubricant for extended service under extreme conditions in on and off-road vehicles. It is very tacky, has excellent water resistance, and will not pound out.

## **CUSTOMER COST SAVINGS**

After one year of using LE's 3752, there have been no failures on any greased applications. Previously there had been five to seven rebuilds a year at approximately \$1,250.00 each, costing them \$7,500.00 per year.

**LE's 3752 ALMAGARD Vari-Purpose Lubricant saves \$7,500.00 a year on rebuilds!**

## **OTHER PRODUCTS USED**

LE's 2300 L-X® Heavy-Duty Chemical Supplement is used in the gasoline tanks with similar fuel savings.

We wish to thank Shop Foreman Mark Higgins and LE Representative Jeff Dean (pictured) for the information provided to prepare this report.

Based on actual user experience. Individual results may vary. Product used not intended to supersede manufacturer's specifications.
