

7500 MONOLEC® POWER FLUID

OTTAWA COUNTY ROAD COMMISSION, Grand Haven, MI

Ford Tractors • SIC 9199 General Government

Since Using LE's 7500 maintenance costs have reduced by 85%!

CUSTOMER PROFILE

Ottawa County Road Commission maintains the roads and highways in Ottawa County, Michigan. They have been an LE customer since 1989.

APPLICATION

Ford tractors are used for mowing road right-of-ways. They are in operation 10 hours a day, 6 months a year.

AREA OF INTEREST

They were interested in a power fluid that would reduce operating temperatures in their hydraulic mower system.

LE SOLUTION

7500 MONOLEC® Power Fluid was recommended by LE Representative Steve Axtell. LE's 7500 is used for combination gear-hydraulic systems, hydraulic transmissions, wet brakes, and torque converters. It is nonfoaming and rejects water.

CUSTOMER COST SAVINGS

Since the conversion to LE's 7500, **Ottawa County Road Commission has reduced their maintenance costs by 85%.** LE's 7500 has lowered operating temperatures by 30°F, increasing the life of pumps and motors by 5 times.
